

Colourful Outback

- inspired by our great Australian outback -

1st - 2nd March, 2025

(2 days) workshop at my Buderim studio - Sunshine Coast

Day 1..

Start by exploring in paint the some unique outback images, colours, distant mountains, vast open skies, gnarled trees, rocks, textures. Brush and palette knife techniques, etc..

Day 2..

Once we have a better understanding of the outback and how to paint, we begin a second 'fantastic outback painting' where you apply what you have been learning and create your own painting with a full day to complete. Don is there every step of the way and he also does live in-class demonstrations of his techniques.

You will learn:-

- Outback colours explained
- Understanding and applying good composition and colour choices
- What makes a fabulous painting and how to achieve it.?
- How to prepare and get started.?
- Essential outback painting techniques explained and applied
- How to interpret photo reference. What to use and what to leave out and why.?
- Apply all your new creative processes for wonderful, visually exciting outback paintings

The Process:- I explain and demonstrate, then you get started with a practice painting to apply and consolidate the new concepts and techniques before moving forward and creating your major workshop paintings.

Next - 'Painting Fantastic' 2 whole days to create your own fantastic outback paintings. I spend lots of one-on-one time to make sure you understand the process, execution and development of your painting and techniques used with live, in-class demos to show you how I do it and I am with you every step of the way to help and assist whenever needed to give you a huge heads up with every aspect of your painting process including how to use and get the most from colour, paint mediums, good brush and palette knife techniques. Every day filled with heaps of great tips and tricks not found in books. *(All student levels welcome)*
