8th-12th January, 2024 (5 days) workshop - Sunshine Coast

Welcome and thank you for your interest in my 'Paint Dynamic Light' painting workshop on 8th - 12th January (5 Days) held at my home/studio in Buderim.

Love to have you come along as I know you will really enjoy this fabulous creative painting experience. Lots of fantastic creative stuff here mixed with heaps of good time spent painting as you learn in the company of like-minded artists and just darn good painting fun time. This workshop will offer you fabulous opportunities to grow and develop valuable seascape painting skills and techniques. It's also packed with heaps of essential information and generous amounts of painting tips and tricks to build your self-confidence allowing you to Supercharge your art and create fantastic paintings sooner.

Your creative artistic journey begins with exploring creative painting concepts expressed and applied through doing which helps you understand and create better paintings sooner. Build confidence, how and when to include paint mediums for better results, simplify colour choices, textural effects and so much more all combine for fabulous and exciting results in your paintings to take home.

Focus on composition, proportions, image cropping for best use of photo reference (what to use, what to leave out and why.?) Discover the power of better colour choices and using textural marks for effect and so much more... Easy to learn techniques that build your painting skills quickly and you can confidently take away and use again later at home.

**\* All student levels welcome**

Please feel free to forward this information to anyone who you think may also be interested in coming along

## visually exciting paintings **Paint Dynamic Light**

### **Day 1..**

Let's get started by looking at the various elements of dynamic light in the painting processes. Breaking them down into easy to understand portions making them easier to understand and apply

### **Day 2..**

Once we have the dynamic light process fundamentals sorted, then you jump straight into your very own 'painting fantastic' where you will apply what you are learning to Supercharge your very own painting

### **Days 3, 4, 5..**

Now you have a much better idea of how to Supercharge your painting with dynamic light and how you can apply it to your own art, now you will begin your second 'painting fantastic' and you have 3 whole days to complete it applying and consolidating what you have learnt already on how to Supercharge your paintings with Dynamic Light

### **You will learn:-**

- Painting process fundamentals explained
- Understanding & how to apply good composition
- What makes a great painting even better & how to achieve?
- How to prepare and get started.?
- Essential techniques explained & applied
- How to interpret photo reference - what to use, what to leave out & why.?
- Supercharge your creative process for more visually exciting paintings

**The Process:-** I explain and demonstrate how I do so you can get started with some practice painting to consolidate and better understand the new concepts and techniques before moving forward and creating your very own fantastic paintings

**Next - 'Supercharge your painting'** 5 whole days of creating your very own fantastic paintings. I spend lots of one-on-one time with each student to make sure you have a good understanding of process, execution and development of all the painting concepts and techniques with live, in-class demos to show you how I do it and I am with you every step of the way to help and assist whenever needed to give you a huge heads up with every aspect of your painting process including how to use and get the most from colour, painting mediums, best practice with brushes and equipment. Every day filled with heaps of great tips and tricks not found in books.

I would love to see you there and share some Supercharged painting time with you so please let me know ASAP to secure your place or to get more information.

**\* All student levels welcome**
