'Many Shades of Grey'

- Art passion using Charcoal - (*Drawing & Charcoal*)

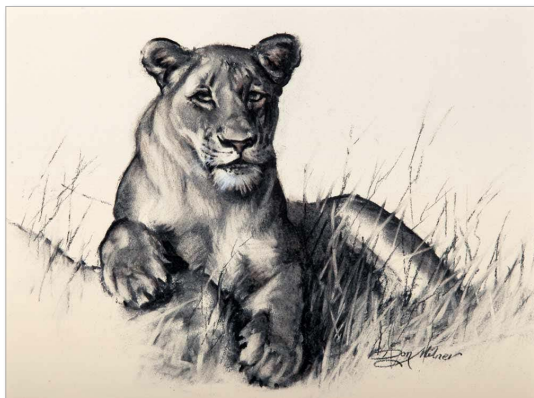

16th - 17th November, 2024

(2 days) workshop at my Buderim studio - Sunshine Coast

Join Don as he guides you through this inspiring workshop..

'Many Shades of Grey' - *fundamentals of great, creative art making.!*

Learn many of the essentials of good drawing techniques as this workshop is designed to give all students a great foundation into drawing with charcoal

You will learn:-

- * Introduction to drawing materials & equipment
- * Best practice - drawing, tools and equipment
- * Smudging, drawing and painting with charcoal
- * Light, shadows and tonal mapping
- * Use simple shapes to get started
- * Simple techniques for dramatic art works
- * Scaling up using transfer methods
- * Rendering textures and surfaces
- * Draw/Paint your favourite (Step by step)
- * How to get started (Step by step)
- * How to use a grid to scale from reference
- * Simplify your art for best results
- * Create your own fantastic drawings
- * All this and much, much more...

Let's get started - 'Many Shades of Grey' Two whole days dedicated to creating your own fantastic drawings. I spend lots of one-on-one time to make sure you understand your equipment and tools, process, execution and development of all the drawing concepts and techniques with live, in-class demos to show you how I do it and I am with you every step of the way to help and assist whenever needed to give you a huge heads up with every aspect of your drawing process including how to better use and get the most from equipment, tools, best practice and techniques. Every day filled with heaps of great tips and tricks not found in books.

I would love to see you here and share some fantastic creative drawing time with you so please let me know ASAP to secure your place or get more information. (*All student levels welcome*)
